Visiting the Bank

Welcome to Country Bank!

Buck and Maddie are so excited to take you on a trip to the bank! Meet Mary McGovern, our President and CEO at Country Bank. Mary is our first female president, and she proudly leads our team of Difference Makers.

Counting Basics

Penny

1¢

Nickel

5¢

Dime

10¢

Quarter

25¢

Inside the bank, Buck and Maddie start learning about coins. Pennies, nickels, dimes, and quarters, all have different values. Counting coins is a great first step to learning about money!

UNSCRAMBLE the MONEY WORDS!

1. _____
2. _____
3. _____

4. _____
5. _____
6. _____

Saving Money

Maddie is learning how important it is to save money!
When you put your coins in a piggy bank, your savings can grow little by little. Saving money helps you reach your goals and be ready for something special in the future.

USING AN ITM

Buck is learning how people use an ITM at the bank. With a debit card, you can safely take out money, check your balance, or make deposits. You can even live chat with someone from our Customer Care Center. It's another easy way the bank helps you manage your money!

Financial Literacy

Buck and Maddie are learning about financial literacy! With help from the Country Bank team, they are discovering how important it is to save money, spend wisely, and make smart choices with their earnings. Learning about money helps you build good habits that can last a lifetime.

In our Community

Maddie loves helping her community!
At Country Bank, giving back and supporting our communities
is one way we can make a difference together.
