DIGITAL SERVICES INSTRUCTIONS

Mobile Wallet Enrollment

Apple Pay:

1. Open your Mobile Wallet App 
2. Select the + symbol and follow the onscreen prompts to add your Country Bank debit card information (if there are any issues with the information, you will be prompted to call Country Bank).

At checkout:  

Double click your iPhone Apple Pay activation button (varies depending on iPhone series) and hold your device near the merchant's payment terminal.

Samsung Pay or Android Pay:

1. Download the Samsung Pay App or Android Pay App on your phone
2. Select the + symbol and follow the onscreen prompts to add your Country Bank debit card information (if there are any issues with the information, you will be prompted to call Country Bank)

At checkout:

Samsung Pay – Swipe up from the bottom of the screen, select the desired card, verify identity by placing your finger on the home button. Hold your device to the merchant's payment terminal.

Android Pay – Unlock your device and hold your device near the merchant's payment terminal.
